## LOS ANGELES LAKERS @ NEW YORK KNICKS

**Game Time: 7:30 PM EST**

**Game Pick: LOS ANGELES LAKERS +2 -120  
we recommend buying the half point**

Greetings friends !!! For our Dr. Alan NBA special release for Tuesday 1-31-23 we are going to back the small road dog Los Angeles Lakers + 2 -120 in this Western Conference vs. Eastern Conference match up between the Los Angeles Lakers vs. the New York Knicks

### DR. ALAN'S GAME ANALYSIS

- The Lakers are 23-28 SU and they are coming off a 121-104 road dog loss vs. the Nets last night in Brooklyn. The Lakers failed to cover the inflated point spread as a 9-point road dog. However, it must be noted that neither of the Lakers Superstar duo of LeBron James & Anthony Davis played in that game last night vs. the Nets.
- This will be the second of back-to-back road games for the Lakers on their 5-game road trip. The Lakers have covered the point spread in the second road game in a back-to-back situation the last 3 times they have found themselves in this situational schedule spot.
- The Knicks are 27-24 SU and they are coming off a hard fought 122-115 small road favorite loss vs. the Nets in Brooklyn on 1-28-23. So, the Knicks will have the rest advantage heading into this game.
- The Knicks are the home team tonight. However, the Knicks do NOT have a strong home court advantage. The Knicks have a LOSING 12-13 SU home record this year !!!
- As of this writing, both of the Lakers superstar duo of LeBron James & Anthony Davis are expected to play in this game. It was obvious that with Lakers head coach Darvin Ham resting both of his superstars in last night's game vs. the Nets, that this game tonight was more of a priority. This game tonight is at MSG vs. the Knicks, on national T.V. TNT, it is obvious that this is a " CIRCLED GAME " for the Lakers !!!
- On Saturday night 1-28-23 the Lakers played in Boston vs. the Celtics as an 8.5-point road dog. That game was also " CIRCLED GAME " for LeBron James & the Lakers, and they responded exceptionally well. The Lakers ultimately lost the game 125-121 in OT, but they easily covered the + 8.5-point spread.
- In that game vs. the Celtics, LeBron James was clearly fouled on the last of the game, (T.V. replays confirmed this, and the NBA league office admitted the referee's missed the call) but the referees did NOT call a foul, thus the game went into OT, and the Lakers lost SU by 4 points

- As a result of this, LeBron James has been " FUMING & STEWING " about this missed call for the last 3 days, as hitting even 1 free throw would have won the game for the Lakers !!! I expect to see an EXTREMELY MOTIVATED " King James " to have a HUGE game tonight !!!
- The Lakers dug themselves a hole early in the season with a horrible start, as their record is still under .500 However, they have been playing better recently, and if they hope to have any chance of making the NBA playoffs, they need to start winning " winnable games " that they have " CIRCLED " and prioritized, like this game tonight vs. the Knicks, who are a very average team with a LOSING SU home record !!!
- Thus, I expect to see an EXTREMELY hungry & motivated Lakers squad tonight !!!!
- We will be making our selection on the Los Angeles Lakers + 2 points in this NBA Western Conference vs Eastern Conference battle between the Lakers vs. the Knicks at MSG on national T.V. TNT in the Big Apple !!!

**GUARANTEE** If a game does not win based on the point spread, you will receive next week's equivalent game by email FREE OF CHARGE

**NON-GUARANTEE** Charge is applied regardless of the game outcome.

NOTE: The point spread is dependent on the wagering site used and when the game is bet. We wager on EVERY game given out and those tickets will be posted on the web site at the beginning of each week. Each ticket bought will be either \$500 or \$1000.

NO other sports handicapping service does this. We at [wizardraceandsports.com](http://wizardraceandsports.com) believe in transparency and integrity.  
We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at [wizardraceandsports.com](http://wizardraceandsports.com) have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.  
This is the criteria we adhere to, which shows transparency in our weekly records.
