ROUND #2

DUKE vs. TENNESSEE

Game Time: 2:40 PM EST

Broadcast: CBS

Game Pick: DUKE -3.5

GAME ANALYSIS

There's no team playing better in NCAAB than Duke right now. They are looking to win their 10th straight game. What's amazing about the Blue Devils is that they continue to improve under first year coach John Sheyer despite 4 of their 5 starting players being freshman with their lone junior point guard Jeremy Roach as their floor leader.

Duke plays tenacious defense, they spread the floor with unselfish play and can adapt to various styles successfully to fit the game plan. Duke shocked me how easily they beat Oral Roberts on Thursday.

Today they face a Tennessee team who are 5-5 in their last 10 games. They were all out to defeat # 13 seed Louisiana Lafayette after having an 18-point lead in the second half. Their defense clamped down to help earn a 3-point victory scoring just 58 points. Things get much tougher today against a red-hot team.

Therefore, I'm willing to lay the short number of 3.5 point with the Duke Blue Devils.

GUARANTEE If a game does not win based on the point spread, you will receive next week's equivalent game by email FREE OF CHARGE

NON-GUARANTEE Charge is applied regardless of the game outcome.

NOTE: The point spread is dependent on the wagering site used and when the game is bet. We wager on EVERY game given out and those tickets will be posted on the web site at the beginning of each week. Each ticket bought will be either \$500 or \$1000.

NO other sports handicapping service does this. We at wizardraceandsports.com believe in transparency and integrity. We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at wizardraceandsports.com have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.

This is the criteria we adhere to, which shows transparency in our weekly records.
