Game Time: 8:30 PM EST

Broadcast: TNT

Game Pick: TOTAL UNDER 210 POINTS

Greetings friends !!! For our Dr. Alan NBA basketball playoff total special release, we are going to take the total to go UNDER 210 total points in this Eastern Conference Final Game # 6 matchup between the Boston Celtics vs. the Miami Heat.

DR. ALAN'S GAME ANALYSIS

- This Heat lead the series 3-2.
The Celtics won Game # 5 at home to force this Game # 6 here in Miami tonight.
And of course, the Celtics need to win tonight to force a deciding Game # 7 back in Boston.
- The Celtics are attempting to be the first team in NBA history to come back from an 0-3 series deficit to win a playoff series.
- Heading into this pivotal Game # 6, a compelling case could be made for both sides (the short point spread that the Las Vegas oddsmakers have made reflects this)
I could see this game going either way. I think there is much MORE VALUE to be found in the total in this game.
- This series has produced a total record of 3-2 O/U with the last 2 games staying UNDER.
- As NBA playoff series go on, slowly fatigue starts to set in with " tired legs ", and adjustments are made defensively limiting the scoring.
Notably, the Celtics in the 2 last games have made defensive adjustments and they have "LOCKED DOWN " on the defensive end, limiting the Heat to less than 100 points in both games !!! (99 & 97 points respectively)
- On the flip side, one of the reasons the Heat have lost the last 2 games has been that after limiting the Celtics to 105 & 102 points respectively in Games # 2 & # 3, they allowed 116 & 110 points in Game's # 4 & # 5 !!!
I expect that with Game # 6 back on their home court, that the Heat will make some necessary defensive adjustments of their own, and play " LOCK DOWN " defense tonight !!!
- This is Game # 6 and HISTORICALLY these games have produced FAR MORE UNDER'S THAN OVERS !!!
Since the 2003 NBA season, (I am including this year's results as well) there have been 45 Game # 6 playoff games, and they have produced a total record of 16-29 O/U !!!
(approx. 65 % !!!) Also, this round of playoffs, three Game # 6's are already in the books, and they produced a 100% PERFECT 0-3 O/U record !!!

- The general betting public, which bets far more OVER'S than UNDER's, has POUNDED the OVER in every game of this series.
And they are slightly ahead with 3-2 O/U record, cashing their tickets for the first 3 games, but failing to cash their tickets in the last 2 games which stayed UNDER.
And, the general betting public is back at it again, as they are once again POUNDING the OVER, as approx. 73 % of the public bets have come in on the OVER !!!
To the general betting public this seems like easy \$\$\$ money, like taking candy from a baby.
- Despite losing to the general betting public on the OVER so far in this series (the general betting public has a 3-2 lead vs. the sportsbooks) and all the previous total lines ranged from 212 to 216 the Las Vegas oddsmakers & sportsbooks went the OPPOSITE WAY & DROPPED the total line to a ' ROCK BOTTOM " total line of 210, and they did this FULLY KNOWING that the sports books will be FLOODED WITH OVER \$\$\$ MONEY !!!
- Given these facts, a logical (?) question would be why would the Las Vegas oddsmakers & sportsbooks do this ???
It makes no sense, because on its surface it appears that they are making it easier for the general public to win tonight taking the OVER !!!
- Answer: I am 100 % CERTAIN that the Las Vegas oddsmakers (WHO ARE THE SHARPEST IN THE ENTIRE WORLD) are aware of the historical statistics about NBA playoff Game # 6's that I cited above, along with the 100 % PERFECT 0-3 O/U RECORD IN NBA GAME # 6's this year, (and how they " CLEANED THE PUBLIC'S CLOCK " so to speak in the 3 Game # 6's this year !!!) and they " BAKED IT INTO THE CAKE " so to speak when they set this total line SO LOW !!!
- The sportsbooks a/k/a " THE HOUSE " as we all know, are NOT in the business of giving away " FREE MONEY \$\$\$ " and they have " TAKEN A POSITION ON THIS GAME " on that is on the total to finish UNDER 210 total points.
So, tonight, we will be on the same side as THE HOUSE. Does that guarantee us a win tonight ?
No, of course not.
- However, what it does, is to put us FIRMLY ON THE SAME SIDE AS THE HOUSE, WHICH IS WHERE WE WANT TO BE THE MAJORITY OF THE TIME, BECAUSE AS WE ALL KNOW, THE HOUSE NEVER LOSES LONG TERM !!!
- We will be making our selection on the total to go UNDER 210 total points in this Eastern Conference Final Game # 6 battle between the Boston Celtics vs. the Miami Heat in South Beach !!!

GUARANTEE If a game does not win based on the point spread, you will receive next week's equivalent game by email FREE OF CHARGE

NON-GUARANTEE Charge is applied regardless of the game outcome.

NOTE: The point spread is dependent on the wagering site used and when the game is bet. We wager on EVERY game given out and those tickets will be posted on the web site at the beginning of each week. Each ticket bought will be either \$500 or \$1000.

NO other sports handicapping service does this. We at wizardraceandsports.com believe in transparency and integrity.
We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at wizardraceandsports.com have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.
This is the criteria we adhere to, which shows transparency in our weekly records.
