**Game Pick: TOTAL UNDER 204 POINTS**

Greetings friends !!!

For our Dr. Alan NBA basketball playoff total special release, we are going to take the total to go UNDER 204 total points in this Eastern Conference Final Game # 7 matchup between the Boston Celtics vs. the Miami Heat.

### DR. ALAN'S GAME ANALYSIS

- This series is tied 3-3 due to the Celtics' dramatic last second win in Game # 6 !!!  
(what a thrilling nail biter !!!)
- The Celtics are attempting to be the first team in NBA history to come back from an 0-3 series deficit to win a playoff series.
- Heading into this deciding Game # 7, a compelling case could be made for both sides, and I could see this game going either way.  
I think there is much MORE VALUE to be found in the total in this game.
- This series has produced a total record of 3-3 O/U with the last 3 games staying UNDER.
- As NBA playoff series go on, slowly fatigue starts to set in with "tired legs", and adjustments are made defensively limiting the scoring.  
Notably, the Celtics in the last 3 games have made defensive adjustments and they have "LOCKED DOWN" on the defensive end, limiting the Heat to less than 100 points in Games # 4 & # 5 and only allowing 103 points in Game # 6 !!!
- On the flip side, the Heat have also made defensive adjustments, as after allowing 116 & 110 points in Game's # 4 & # 5, they limited the Celtics to 104 points on Game # 6 !!!
- This is Game # 7 and HISTORICALLY these games have produced FAR MORE UNDER'S THAN OVERS !!!  
Since the 2005 NBA season, there have been 59 Game # 7 playoff games, and they have produced a total record of 22-37 O/U !!! (approx. 61 % !!!) This is a large sample size.
- 19 of those 59 Game #7's have been played just since the 2018 season, and the results are even MORE IMPRESSIVE RECENTLY, producing a 5-14 O/U record !!! (approx. 73 % !!!)
- Also, this year in the playoffs, 2 Game # 7's are already in the books, and they produced a 100% PERFECT 0-2 O/U record !!!

- The Celtics were involved in one of those Game # 7's in the previous playoff round vs. the 76ers. That Game # 7 was also played in Boston and produced an UNDERwhelming final score of Celtics 112 76ers 88 ( 200 total points !!! )  
The Celtics limited the 76ers to UNDER 90 points defensively in that Game # 7 on their home court, which is VERY IMPRESSIVE, and we'll look for a similar defensive effort from the Celtics tonight vs. the Heat !!!
- Also, these 2 squads played a Game # 7 in last year's playoffs, also in the Eastern Conference Final round, and that game also produced an UNDERwhelming final score of Celtics 100 Heat 96 We'll look for a similar result tonight !!!
- The general betting public, which bets far more OVER'S than UNDER's, has POUNDED the OVER in every game of this series. And they are now 3-3 O/U record, cashing their tickets for the first 3 games, but failing to cash their tickets in the last 3 games which stayed UNDER. And, the general betting public is back at it again, as they are once again POUNDING the OVER, as approx. 80 % of the public bets have come in on the OVER !!!  
To the general betting public this seems like easy \$\$\$ money, like taking candy from a baby.
- Despite all the previous total lines ranged from 212 to 216 from Game's # 1 thru Game # 5, in Game # 6, the Las Vegas oddsmakers & sportsbooks went the OPPOSITE WAY & DROPPED the total line to a ' ROCK BOTTOM ' total line of 210, and they did this FULLY KNOWING that the sports books will be FLOODED WITH OVER \$\$\$ MONEY !!!
- And, the public responded with approx. 73 % of the public bets, and the sportsbooks " CLEANED THE PUBLIC'S CLOCK " as the total stayed UNDER 210 !!! ( much to our delight, as we were on the same side as THE HOUSE with the UNDER 210 )
- In Game # 7, this a repeat of what we just saw in Game # 6 (the only difference is the public bets INCREASED to 80 % on the OVER ) i.e. - the Las Vegas oddsmakers & sportsbooks have ONCE AGAIN gone the OPPOSITE WAY & DROPPED the total line to a ' NEW ROCK BOTTOM ' total line of 204, and they did this FULLY KNOWING that the sports books will be FLOODED WITH OVER \$\$\$ MONEY !!!
- Given these facts, a logical ? Question would be why would the Las Vegas oddsmakers & sportsbooks do this ???  
It makes no sense, because ONCE AGAIN, on its surface it appears that they are making it easier for the general public to win tonight taking the OVER !!!
- Answer: I am 100 % CERTAIN that the Las Vegas oddsmakers ( WHO ARE THE SHARPEST IN THE ENTIRE WORLD ) are aware of the historical statistics about NBA playoff Game # 7's that I cited above, along with the 100 % PERFECT 0-2 O/U RECORD IN NBA GAME # 7's this year, ( and how they " CLEANED THE PUBLIC'S CLOCK " so to speak in the 2 Game # 7's this year !!! ) and they " BAKED IT INTO THE CAKE " so to speak when they set this total line SO LOW !!!
- The sportsbooks a/k/a " THE HOUSE " as we all know, are NOT in the business of giving away " FREE MONEY \$\$\$ " and they have " TAKEN A POSITION ON THIS GAME " on that is on the total to finish UNDER 204 total points. So, tonight, ONCE AGAIN, we will be on the same side as THE HOUSE. Does that guarantee us a win tonight ? No, of course not.
- However, what it does, is to put us FIRMLY ON THE SAME SIDE AS THE HOUSE, WHICH IS WHERE WE WANT TO BE THE MAJORITY OF THE TIME, BECAUSE AS WE ALL KNOW, THE HOUSE NEVER LOSES LONG TERM !!!
- Lastly, I will close by saying that whether we win or lose tonight, ( we hope the former, not the later !!! LOL !!! ) this is the type of wager that I will make 100 times out of 100 !!!

- Sure, this specific Game # 7 could turn out to be an " OUTLIER " and be a " fast paced " HIGH scoring game, or the game could go into OT overtime, or it might sneak over the total line of 204 points, and we would lose.  
But there is MULTIPLE handicapping criteria that this selection meets, and I know that we will win a wager like this ( like we just won in Game # 6) the overwhelming majority of the time !!!
- We will be making our selection on the total to go UNDER 204 total points in this Eastern Conference Final Game # 7 battle between the Boston Celtics vs. the Miami Heat in Beantown !!!

NO other sports handicapping service does this. We at [wizardraceandsports.com](http://wizardraceandsports.com) believe in transparency and integrity.  
We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at [wizardraceandsports.com](http://wizardraceandsports.com) have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.

This is the criteria we adhere to, which shows transparency in our weekly records.
