DR. ALAN'S GAME ANALYSIS

SPECIAL RELEASE

Wednesday, June 7, 2023

DENVER NUGGETS @ MIAMI HEAT

Game Time: 8:30 PM EST

Broadcast: ABC

Game Pick: MIAMI HEAT +3 -115

(we recommend buying the half point)

Greetings friends !!! For our Dr. Alan NBA Finals Game # 3 special release, we are going to take the small home dog Miami Heat + 3 -115 (we recommend buying the half point) in this NBA Final Game # 3 matchup between the Miami Heat vs. the Denver Nuggets.

DR. ALAN'S GAME ANALYSIS

- The Miami Heat are the Eastern Conference Champions, and the Denver Nuggets are the Western Conference Champions.
- The series is tied 1-1, as the Nuggets won Game # 1 by a final score of 104-93
The Heat then "BOUNCED BACK" and won Game # 2 by the final score of 111-108
In Game # 2 winning SU as + 9 point road dog (much to our delight as we backed the Heat in that game)
- The Heat meet my handicapping criteria of a being a "QUALITY DOG", and I have absolutely no hesitation in backing the Heat in this spot as a home dog, as I look to see that (+) positive momentum from their Game # 2 victory carry over into Game # 3 on their home court !!!
- The Nuggets have played 7 road games this post season, and their record is 4-3 SU & ATS
- The Heat have played 8 home games this post season, and their record is a STELLAR 6-2 SU & ATS !!! (approx. 75 % !!!)
- The Heat have been home dogs 4 times this post season, and they are a 100 % PERFECT 4-0 ATS !!!
- The Heat have been made underdogs 16 times this post season, and their record is a STELLAR 12-4 ATS !!! (approx. 75 %)
- As the NBA Finals go on, adjustments are made from game to game, and the Heat's adjustments from Game # 1 to Game # 2 clearly worked.
The Heat have the head coaching advantage with 15 year 2-time NBA Championship winning head coach Erik Spoelstra vs. Nuggets head coach Michael Malone
And I look for that to play a role once again in this Game # 3 at home vs. the Nuggets.
- In regard to my **Dr. Alan psychological handicapping**, the edge and advantage clearly goes to the Heat.
Yes, of course the Nuggets will be motivated to "bounce back" and win this game.

However, the Nuggets are a road favorite laying points, and their record on the road this postseason is only slightly better than .500 (4-3 SU & ATS).

The Heat have been underestimated all post season, and they have performed extremely well AT HOME and in the underdog role all post season.

The Heat will be HIGHLY MOTIVATED to win this game as a home dog on their home court in front of their most loyal fans to continue to prove all their doubters wrong !!!

- Lastly, the general betting public has POUNDED the Nuggets, as approx. 78 % of the public bets have come in on the Nuggets - 2.5 !!!
To the general betting public this seems like easy \$\$\$ money, like taking candy from a baby.
- This spread opened at Nuggets - 2.5 after Sunday's night game, and it has remained Nuggets - 2.5 for 3 full days, thus we have a " LINE FREEZE "
The Las Vegas oddsmakers have NOT adjusted this line of Nuggets - 2.5, to attract some Heat \$\$\$ money, and they have done this FULLY KNOWING that the sports books will be FLOODED WITH NUGGETS \$\$\$ MONEY !!!
- Given this FACT, a logical (?) Question would be why would the Las Vegas oddsmakers & sportsbooks do this ???
It makes no sense, because on its surface it appears that they are making it easier for the general public to win tonight taking the Nuggets as a small road favorite !!!
- Answer: I am 100 % CERTAIN that the Las Vegas oddsmakers (WHO ARE THE SHARPEST IN THE ENTIRE WORLD) are aware of this year's post season statistics for both squads that I cited above, and I am sure that they have all kinds of other statistical data that they rely on, and they " BAKED IT INTO THE CAKE " so to speak when they did NOT adjust this line of Nuggets - 2.5 !!!
- The sportsbooks a/k/a " THE HOUSE " as we all know, are NOT in the business of giving away " FREE MONEY \$\$\$ " and they have " TAKEN A POSITION ON THIS GAME " on that is on the Heat + 2.5 points as a home dog.
(we recommend buying the half point to + 3 -115) So, tonight, we will be on the same side as THE HOUSE. Does that guarantee us a win tonight ? No, of course not.
- However, what it does, is to put us FIRMLY ON THE SAME SIDE AS THE HOUSE, WHICH IS WHERE WE WANT TO BE THE MAJORITY OF THE TIME, BECAUSE AS WE ALL KNOW, THE HOUSE NEVER LOSES LONG TERM !!!
- In this TITANIC NBA FINALS GAME # 3 BATTLE between the Nuggets led by 2-time NBA MVP Nikola Jokic a/k/a " THE JOKER " vs. the Heat led by Jimmy Butler a/k/a " JIMMY BUCKETS " we will gladly accept the + 3 points -115 the Las Vegas oddsmakers are offering to us with the Heat as home dog !!!
- We will be making our selection on the Heat + 3 -115 (we recommend buying the half point) in this NBA Finals Game # 3 battle between the Miami Heat vs. the Denver Nuggets in South Beach !!!

GUARANTEE If a game does not win based on the point spread, you will receive next week's equivalent game by email FREE OF CHARGE

NON-GUARANTEE Charge is applied regardless of the game outcome.

NOTE: The point spread is dependent on the wagering site used and when the game is bet. We wager on EVERY game given out and those tickets will be posted on the web site at the beginning of each week. Each ticket bought will be either \$500 or \$1000.

NO other sports handicapping service does this. We at wizardraceandsports.com believe in transparency and integrity.
We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at wizardraceandsports.com have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.
This is the criteria we adhere to, which shows transparency in our weekly records.
