ALABAMA CRIMSON TIDE @ SOUTH FLORIDA BULLS

Game Time: 3:30 PM EST

TV: NATIONAL BROADCAST ABC

Game Pick: ALABAMA CRIMSON TIDE - 33

Greetings friends !!! For our Dr. Alan NCAA college football special release for Saturday 9-16-23, we are going to back the road favorite Alabama Crimson Tide - 33 vs. the South Florida Bulls There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

DR. ALAN'S GAME ANALYSIS

- These 2 squads are NOT in the same conference, Alabama is on the SEC conference, and they are ranked # 10 in the nation & South Florida is in the AAC conference, and they are not ranked. This is NOT a conference game which works in our favor, as there is no conference rivalry in play for this game.
- Alabama was ranked # 3 before last week's loss vs. Texas and they have now fallen to # 10. Alabama has been a perennial NCAA college playoff contender under GOAT head coach Nick Saban, and the unexpected loss last week vs. Texas, leaves them no margin for error the rest of the way. Not only that, but Alabama has to win games by LARGE MARGINS to move back up the rankings, and past history shows that should start right here this afternoon !!!
- Alabama's head coach is GOAT Nick Saban, and he does NOT take kindly to losing !!! Remember the scene from the iconic film Star Wars movie, when Chewbacca was playing chess against R2D2 ?
- R2D2 was winning when Han Solo uttered the iconic line " it's not wise to upset a Wookiee " C3PO responds " but sir, nobody worries about upsetting a droid " and Han Solo responded " because droids don't pull people's arms out their socket when they lose, Wookies are known to do that " C3PO responds " I see your point sir, I suggest a new strategy R2 , let the Wookiee win " GOAT head coach Nick Saban is akin to Chewbacca !!!
- Going back to the 2014 season under GOAT head coach Nick Saban including Bowl games, the Crimson Tide has lost 10 games, and their record in the very next game off a loss is a 100 % PERFECT 10-0 SU and a STELLAR 8-2 ATS !!! South Florida realistically knows that they have NO CHANCE to win this game, they will just want to get out of this game healthy, as they will be facing an ANGRY & MOTIVATED Alabama Crimson Tide squad playing off a loss !!!
- South Florida's head coach is Alex Golesh, he is a ROOKIE HEAD COACH who will be coaching only his third game !!! So, we have the GOAT head coach Nick Saban going up against a ROOKIE HEAD COACH coaching in only his 3rd game !!! You will NOT find a LARGER head coaching disparity this week in NCAA college football then this match up !!!
- Besides the head coaching disparity, the Crimson Tide are simply the more talented squad on both sides of the ball, thus the - 33 point spread. Everyone knows who is going to win this game. The only ? is the point spread. As a general rule, it's NOT wise to lay this many points even when you have a huge head coaching & talent disparity, because as we all know, unexpected & crazy things can happen in any football game, NCAA college or NFL pro.

However, under CERTAIN SITUATIONS (LIKE TODAY) I feel it is warranted, and worthy of a selection !!!

- My Dr. Alan psychological handicapping gives a clear edge to the Alabama Crimson Tide. South Florida knows they have no chance in this game, they will just want to get out of it healthy. On the flip side, Alabama knows that playing off a loss, for them to move back up the rankings, they need a " MAKE A STATEMENT " by not only winning this game ,but WINNING BIG !!! Thus, the Crimson Tide will be FIRED UP, and they will have motivation to bring their " A " game vs. South Florida, and KEEP SCORING for the ENTIRE 60 MINUTE GAME !!!The Crimson Tide will be HIGHLY MOTIVATED to get the bad taste out their mouths from their loss last week vs. Texas and they will take their frustrations out on the South Florida Bulls, and they should get an easy blowout win by MORE THEN 33 POINTS !!!

DR. ALAN PICK: We will take the risk, and we will lay the - 33 points with the Alabama Crimson Tide -33 vs. the South Florida Bulls to get a win and cover for us in the Sunshine State !!!

NO other sports handicapping service does this. We at wizardraceandsports.com believe in transparency and integrity. We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at wizardraceandsports.com have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.

This is the criteria we adhere to, which shows transparency in our weekly records.
