WEEK # 2

BALTIMORE RAVENS @ CINCINNATI BENGALS

Game Time: 1 PM EST

Game Pick: CINCINNATI BENGALS - 3 -117

We are going to make a selection on the Cincinnati Bengals in this AFC North battle between the Baltimore Ravens vs. the Cincinnati Bengals.

There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

DR. ALAN'S GAME ANALYSIS

- Last week we went against the Bengals as a division road favorite vs. the Browns, and the Browns came thru for us with a SU underdog win. Today, we are switching sides, and we will be backing the Bengals as a small division home favorite.
- These 2 squads are AFC North division rivals, and the Ravens are a division road underdog. As a general rule, this same division familiarity benefits the underdog, as division underdogs cover ATS at higher % than do non-division underdogs. However, under certain situations, (such as we have today) I feel it is warranted to lay points in a division game.
- Last week vs. the Browns, Bengals QB Joe " Joe Cool " Burrow had a career WORST performance!!! We are expecting " Joe Cool " to have a HUGE " BOUNCE BACK " GAME here at home !!!The Eagles lost both their offensive & defensive coordinators in the off season, they will help our selection.
- The Ravens will have multiple " KEY " players out in this game due to injury, including stud RB J.K. Dobbins.
- The Ravens are 1-0 coming off a win in week # 1 vs. the Texans. On the flip side, the Bengals are 0-1 with their division loss vs. the Browns. The Bengals can NOT afford to lose this game and go 0-2 SU to start the season and being 0-2 in division games to boot!!! Thus, this is a MUST WIN game for the Bengals!!! The Bengals will be HIGHLY MOTIVATED to bring their " A " game vs. the Ravens!!! I expect that the Patriots as a home underdog will bring their " A " game vs. the Eagles!!!
- We will accept the risk, and we will lay the - 3 points with the Bengals vs. the Ravens in the Queen City !!!

SIDE SELECTION

CHICAGO BEARS @ TAMPA BAY BUCCANEERS

Game Time: 1:00 PM EST

Game Pick: CHICAGO BEARS +2.5

We are going to make a selection on the Chicago Bears + 2.5 vs. the Tampa Bay Buccaneers There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

DR. ALAN'S GAME ANALYSIS

- Last week we went against the Bears as a division home favorite vs. the Packers, and the Packers came thru for us with a SU underdog win. Today, we are switching sides, and we will be backing the Bears as a small road underdog.
- These 2 squads are coming off of contrasting results. The Bucs were a + 4-point road dog vs. the Vikings and they were outgained, but
- These opposite results helped swing this line 4 points. The " look ahead line " before last week's games were played had the Bears listed as a - 2.5 point road favorite. Now the line is Bears + 2.5 points. That sets this game up as a classic BUY LOW (on the Bears off their week # 1 home favorite loss) and SELL HIGH (on the Bucs off their week # 1 SU underdog win)
- The Bears are 0-1 and the Bucs are 1-0. The Bears can NOT afford to lose this game and go 0-2 SU to start the season, especially as they play the Chiefs next week, and they could be 0-3 SU real quick!!! The Bears are a DESPERATE TEAM they will go ALL IN today to win this game!!!
- The Bears will be HIGHLY MOTIVATED to bring their " A " game this afternoon vs. the Bucs!!!
- We will be making our selection on the Bears + 2.5 in this NFC battle between the Bears vs. the Bucs in the Sunshine State of Florida!!!

TOTAL SELECTION

WASHINGTON COMMANDERS @ DENVER BRONCOS

Game Time: 4:25 PM EST

Game Pick: DENVER BRONCOS -3.5

We are going to back the small home favorite Denver Broncos - 3.5 vs. the Washington Commanders. There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

DR. ALAN'S GAME ANALYSIS

- The Commanders arrive into this matchup 1-0 off an opening day win vs. the Cardinals, barely holding on for a 20-16 SU win as a - 7 point favorite.
- On the flip side, the Broncos lost SU by a final score of 17-16 vs. the Raiders as - 3.5 point home favorite.
- The Broncos defense as they usually do at home, played exceptionally well giving up only 17 points. The Broncos offense under new head coach Sean Payton struggled, but they should play much better this week, and they will get WR Jerry Jeudy back.

- Commanders QB Sam Howell will be making only his 3rd NFL career start and his 1st NFL career road start in this game. He did not play very well in week # 1 as he turned the football over multiple times.
- The Broncos are 0-1 and the Commanders are 1-0. The Broncos can NOT afford to lose this game and go 0-2 SU to start the season by losing their first 2 home games, especially as they play the Dolphins next week, and they could be 0-3 SU real quick !!! The Broncos are a DESPERATE TEAM, they will go ALL IN today to win this game!!!
- The Broncos will be HIGHLY MOTIVATED to bring their " A " game vs. the Commanders !!!
- We will take the risk and we will lay the - 3.5 points and we will back the small home favorite Denver Broncos - 3.5 vs. the Washington Commanders to get a win and cover for us in the Mile High City!!!

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at wizardraceandsports.com have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.

This is the criteria we adhere to, which shows transparency in our weekly records.

Selections and Wagers for Sunday's NFL games are made and posted on Saturday evening.

For the Monday night & Thursday night games, wagers are placed on the morning of the games and immediately posted for sale on our website.
