## **MIAMI DOLPHINS @ NEW ENGLAND PATRIOTS**

**Game Time: 8:15 PM EST**

**TV: NBC**

**Game Pick: NEW ENGLAND PATRIOTS +3**

Greetings friends!!! For Sunday Night Football 9-17-23 we are going to back the division home underdog New England Patriots + 3 vs. the Miami Dolphins. There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

### **DR. ALAN'S GAME ANALYSIS**

- These 2 squads are AFC East division rivals, and the Patriots are a division home underdog. As a general rule, this same division familiarity benefits the underdog, as division underdogs cover ATS at higher % then do non-division underdogs.
- The Dolphins arrive into this game 1-0 thanks to a dramatic late 4th quarter comeback vs. the Chargers in which QB Tua Tagovaiola & WR Tyreek Hill had crazy good offensive stats. However, it's hard to have those types of offensive explosions in back-to-back road games. It won't be so easy this week for the Dolphins offense, as they will be facing the much more stout Patriots GOAT head coach Bill Belichick Patriots defense.
- The Patriots arrive into this game 0-1 losing their home opener narrowly last week vs. the Eagles despite outgaining the Eagles. 2 early Patriots turnovers proved to be the difference in the game, as the Eagles turned those into 2 TD's.
- The Dolphins are in a horrible scheduling spot. They played last week in L.A. , they then had to fly coast to coast back to South Florida, and then they had to turn around and fly up north to New England. It's hard in the NFL for any road team to win back to back road games, and it's even harder to do so with long travel involved, and with the second road game also being a division game!!!
- Much has been made of that Dolphins QB Tua Tagovaiola is 4-0 SU in his 4 career stars vs Patriots GOAT head coach Bill Belichick. However, that will serve as strong motivation for the GOAT tonight!!!
- The Patriots are 0-1 and the Dolphins are 1-0. The Patriots can NOT afford to lose this game and go 0-2 SU to start the season by losing their first 2 home games!!! The Patriots are a DESPERATE TEAM, they will go ALL IN today to win this game!!!
- We will accept the + 3 points that the Las Vegas oddsmakers are offering to us, and we will back the division home underdog New England Patriots vs. the Miami Dolphins to get a cover for us in Foxboro, MA!!!

**GUARANTEE:** If a single game does not win based on the point spread, you will receive next week's equivalent game by email FREE OF CHARGE. This includes the Game of the Week, Special Release and any Prime-Time Game.

**NON-GUARANTEE:** Charge is applied regardless of the game outcome.

NOTE: The point spread is dependent on the wagering site used and when the game is bet. We wager on EVERY game given out and those tickets will be posted on the web site at the beginning of each week. Each ticket bought will be either \$500 or \$1000.

NO other sports handicapping service does this. We at [wizardraceandsports.com](http://wizardraceandsports.com) believe in transparency and integrity. We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at [wizardraceandsports.com](http://wizardraceandsports.com) have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses.

This is the criteria we adhere to, which shows transparency in our weekly records.

Selections and Wagers for Sunday's NFL games are made and posted on Saturday evening.

For the Monday night & Thursday night games, wagers are placed on the morning of the games and immediately posted for sale on our website.
