NEW YORK GIANTS @ SAN FRANCISCO 49ERS

Game Time: 8:15 PM EST

TV: AMAZON PRIME

**Game Pick: TOTAL UNDER 44 TOTAL POINTS -
117 (we recommend buying the half
point as 44 is a " key" #)**

Greetings friends!!! For our NFL pro football special release for Thursday 9-21-23, between the New York Giants vs the San Francisco 49ers, we are going to make our selection on the total to go UNDER 44 total points.

DR. ALAN'S GAME ANALYSIS

- These 2 squads are both 1-1 O/U coming into this game. Both squads went UNDER in week # 1, and in week # 2 both squads went OVER in HIGH scoring games. A regression to the mean is to be expected, as both squads are due to come down, and the short week should play to our advantage.
- The Giants will be without 3 " key " offensive players i.e. - stud RB Squon Barkley, and 2 offensive linemen, OT Andrew Thomas & OG Ben Bredeson
- The Giants offense went SCORELESS thru the first 6 quarters of football to open up the season!!! The Giants then scored their first points of the year in last week's furious 2nd half comeback vs. the Cardinals.
- The 49ers maybe without a very valuable " key" offensive player tonight - WR Brandon Aiyuk is listed as questionable as of this writing, and his status will most likely be a game time decision. However, even if he does play, he will most likely not be 100 %
- Last season the 49ers had the # 1 ranked scoring defense in the NFL, and they were especially stout AT HOME. Last season, the 49ers played 9 HOME GAMES, and their defense gave up 17 points or LESS in 7 of those 9 games!!! That includes 1 SHUTOUT, and 2 games where their opponents scored in the single digits!!!! No drop off is to be expected with this year's 49ers defense!!!
- I don't see the Giants scoring alot of points in this game. If the 49ers pull away and get a double-digit lead in this game, they will be content to play ball control, field position, and lean on the strength of their defense.

DR. ALAN'S PICK

- Our selection will be on the total to go UNDER 44 total points in this Thursday Night Football battle between the New York Giants vs. the San Francisco 49ers in the City by the Bay!!!

GUARANTEE: If a single game does not win based on the point spread, you will receive next week's equivalent game by email FREE OF CHARGE. This includes the Game of the Week, Special Release and any Prime-Time Game.

NON-GUARANTEE: Charge is applied regardless of the game outcome.

NOTE: The point spread is dependent on the wagering site used and when the game is bet. We wager on EVERY game given out and those tickets will be posted on the web site at the beginning of each week. Each ticket bought will be either \$500 or \$1000.

NO other sports handicapping service does this. We at wizardraceandsports.com believe in transparency and integrity. We back our selections with REAL MONEY.

Late injuries and/or illnesses ruling out players can result in big swings in the line and could be announced at any time - even as close as minutes before the start of the game. We at wizardraceandsports.com have no control over these line changes.

The line which we get when our wager is placed is what we use to grade our selections on wins and losses. This is the criteria we adhere to, which shows transparency in our weekly records.

Selections and Wagers for Sunday's NFL games are made and posted on Saturday evening.

For the Monday night & Thursday night games, wagers are placed on the morning of the games and immediately posted for sale on our website.
