North Carolina State Wolfpack @ Virginia Tech Hokies

Game Time: 3:30pm ET

Selection: UNDER 42.5

The Wolfpack have one of the best defenses in the country. In the last three games they held their opponents to 6, 6 and 17 points and two of those scores came against Clemson and Miami, two solid offenses. Back on Sept. 29 they held Louisville to only 13 points in a tough 13-10 loss. They don't get the recognition they deserve, but NC State is a very talented team on the defensive side. They are not so effective, however, on the offensive side of the ball, oftentimes having trouble scoring in the red zone.

Virginia Tech, on the other hand, often does score points except when they play an elite defense. Two weeks ago in Louisville, the Hokies only managed 3 points in a dismal offensive performance. Earlier in October, they only put up 17 against Florida State. This line has trended towards the Under for good reason all week long. Expect a low-scoring game and take the Under.
