**Game Pick: OREGON STATE BEAVERS MONEY
LINE - 115**

Greetings friends!!! For our Dr. Alan NCAA college football special release for Saturday 11-18-23, we are going to back the home team Oregon State Beavers - 115 PK vs. the Washington Huskies on the money line. There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

DR. ALAN'S ANALYSIS & DIAGNOSIS

1 Oregon State money line -115 PK vs. Washington. Oregon State is 8-2 SU, and they are ranked # 10 and they have had a STRONG HOME FIELD ADVATAGE !!! Last year at home, they were 5-1 SU & a 100 % PERFECT 6-0 ATS (they covered in the home dog role) and this year as well, as they are a 100 % perfect 5-0 SU & a STELLAR 4-1 ATS at home !!! and they are playing with conference revenge from last years narrow 24-21 loss at Washington. Washington is 10-0 SU and they are ranked # 5, and they have a legitimate shot at the college football playoff. However, I think this is a tough spot for Washington on the road, as they are coming off of 2 high intensity conference games vs. USC & Utah, and it's tough to run the table and go undefeated.

Also, I like the fact that this line opened up as Oregon State + 2 but has now flipped to Oregon State - 1 or - 1.5 depending on which book you use. The dog to fav reverse line movement and the LOW BETS HIGHER DOLLARS is a clear sign of SHARP \$\$\$ MONEY on Oregon State, as 78 % of the public bets are on Washington, and Oregon State despite only receiving 22 % of the bets, is getting a slight majority of the handle 51 % Oregon State would like nothing more then to not only get revenge from last year's close 24-21 loss, but also to hand their PAC 12 conference rival their first loss of the year, and potentially spoil their college football playoff aspirations !!! We'll look for Washington to suffer their first loss of the year here in Corvallis Oregon!!!
