ARIZONA CARDINALS @ HOUSTON TEXANS

Game Time: 1 PM EST

Game Pick: ARIZONA CARDINALS + 6 (we recommend buying the half point)

Greetings friends!!! For our Dr. Alan NFL Week # 11 side selection for Sunday 11-19-23, we are going to back the small road dog Arizona Cardinals + 6 vs. the Houston Texans. There are several advantages & edges in our favor, as well as a Dr. Alan psychological handicapping advantage.

DR. ALAN'S GAME ANALYSIS

These 2 squads heading into this season had new rookie head coaches with the Texans Demeco Ryans & the Cardinals Jonathon Gannon and both were predicted to be 2 of the worst teams in the NFL with season win totals set at 5.5 for the Texans & 4.5 for the Cardinals. However, heading into this game, that's where the similarities end, as the Texans surprisingly have a winning record at 5-4 SU, while on the flip side the Cardinals enter into this game a woeful 2-8 SU. A big reason for these disparate results is the QB position, Texans rookie QB C.J. Stroud has been outstanding, and he is the leading candidate for rookie of the year. On the flip side, Cardinals QB Kyler Murray played in his first game last week and the Cardinals simply were a different team with him under center, as the Cardinals got their 2nd win of the season.

The Texans have been a great story this year, but they have done their damage when they have been in the underdog role taking points, such as last week when they stunned the Bengals with the SU win as a 6 point road dog. As a favorite laying points, the Texans are a wallet busting money \$\$\$ burning 0-3 ATS !!! The Texans simply can't be trusted in the favorite role laying points, and with the Cardinals playing with confidence coming off a SU win last week with QB Kyler Murray back under center, we'll take the generous + 6 points with the Cardinals.

If a single game you purchased does not win based on the point spread, you will receive the next equivalent game FREE OF CHARGE.
