## **NORTH CAROLINA TAR HEELS @ NC STATE WOLFPACK**

**Game Time: 8:00pm ET**

**TV: ESPN**

**Selection: NC State Wolfpack +4**

Every time these two ACC rivals have matched up against one another, it's been an emotional battle. Both teams play with a lot of physicality and passion and they know each other well. UNC comes into this game making their third ACC road game in a row, which could be an emotional drain, and road conference games against quality opponents are always tough to win. This is especially true in hostile environments like they will face tonight at PNC Arena.

The Wolfpack won 77-69 at home last year in a game featuring some of the same players and a game that UNC was expected to win (like tonight). UNC is not doing a good job this year at stealing the ball away from their opponents and NC State is one of the best in the country at protecting the ball (2nd on KenPom nationally). Look for the Wolfpack to go toe-to-toe with the Tar Heels throughout this game, limit their mistakes, and with the white-out crowd on their side, possibly pull the upset. Take the points with the home dog.
