Illinois at Maryland

Game Time: 5:30pm ET

TV: FOX

Selection: Illinois – 1.5 (- 120)

The last time these 2 teams met on Jan 14, Maryland went into Illinois and upset them. Illinois was without their best player Terrance Shannon Jr. that day due to an injury. They were ranked 14th at the time. Today Illinois is at Maryland and with Shannon back on the court, it's payback time. In recent weeks, Maryland has been trending downward and are on the outside looking in for a bid to the NCAA Tournament. Illinois is ranked 22 in the country, and they certainly want to remain in the top 25 after this weekend. They are playing very good ball now and their focus will be clearly on not letting the Terps sweep them this season. Laying a small number with Illinois on the road is the play in this match up.
