## **Baylor at BYU**

**Game Time: 9:00pm ET**

**TV: ESPN**

**Selection: BYU – 3.5**

This is a buy low and sell high situation taking the 25th rank BYU and laying 3.5 points to 11th rank Baylor. These 2 met earlier in conference play with Baylor easily defeating BYU, who were not as healthy as they are now, and were unable to negate the Bears hot 3-point shooting. BYU is back home for this rematch, and they are a more desperate team looking for revenge. Langston Love, one of Baylor's key players, scored 15 in that first game. Love has been injured and has not played the last few games. His return tonight is unlikely with a major game at # 2 ranked Houston on Saturday.

BYU was upset last Saturday at Oklahoma State as their defense let them down. I expect a far better defensive showing this evening. Baylor easily defeated an erratic West Virginia on Saturday and now has to travel across the country to the high altitude of Provo Utah. BYU can score in bunches and Baylor is not deep. Expect a back-and-forth battle for most of the game, but in the end, I expect BYU to pull away to a much-needed victory. Lay the 3.5 points with BYU.
