Selection: Maryland – 1.5 / Texas A & M Pick-Em

On Wednesday we will play a 2-team teaser, meaning we have to win both games utilizing the 4 points we get on this wager. I will bring down Maryland from - 5.5 points to – 1.5 to defeat Northwestern at home and also use Texas A & M – 4.5 bringing down that line to – 0.5 facing South Carolina at home.

Maryland's defense has been very good of late. That cannot be said of Northwestern, whose problems on defense have been covered up by the weak competition that they have faced recently. I like Maryland at home where they are solid. Northwestern is a far different team away from their place. The line opened at – 3.5 and jumped 2 points overnight. I'm not willing to lay 5.5 points, so Maryland will become the first part of my teaser.

South Carolina has been very solid all season long, but they do have issues on the interior and don't do as well with physical teams who pound the boards and can beat you inside with rebounds, second chance shots and in transition. That's the style coach Buzz Williams employs at Texas A & M who are in the midst of a 4-game losing streak. They are in a must win situation if they have any chance to get into the Big Dance. I expect a fired-up team at home in front of a raucous crowd to finally get back on the win side of their ledger.

If a single game you purchased does not win based on the point spread, you will receive the next equivalent game FREE OF CHARGE.
