KENNESAW STATE @ QUEENS UNIVERSITY NC

Game Time: 7:00pm ET

Selection: Queens on money-line (- 122)

Betting available at all sportsbooks

Queen's University (12-18 record) moved up to Division 1 2 years ago and have done well in a short span of time. Kennesaw State (15-14 record) has been very good in the Atlantic Sun conference for a few years, especially when coached by Amir Abdur Rahim, who left last year to become the head coach of South Florida who he's done wonders with this season. They are on top of the AAC standings after being predicted to be towards the bottom of that conference at the start of the season.

This will be the 3rd road trip in a row for Kennesaw. They are not a very good road team with a record of 4-10. On the contrary, Queens are very good at home with a record of 10-3, whereas on the road they are a dismal 1-15.

This is a double revenge spot for Queens, who were knocked out by Kennesaw in last year's tournament by 1 point and this year they lost by just 3 at Kennesaw. It is senior night tonight and I expect the team will be highly motivated to provide their leader and captain B J McLaurin a victory and a better seeding in the Atlantic Sun tournament. I'm taking Queens on the money line laying – 122.

If a single game you purchased does not win based on the point spread, you will receive the next equivalent game FREE OF CHARGE.
