IONA GAELS AT MARIST RED FOXES

Game Time: 2:00pm ET

TV: ESPN+

Selection: Marist Red Foxes -3

The Iona Gaels have not been the same team since Hall of Fame coach Rick Pitino bolted for St. John's. The Gaels have struggled all season but have progressively gotten worse and enter this game on a 4-game skid and having lost 5 of their last 6. The Gaels are simply not a good team on either side of the ball, ranking over 200 on both adjusted offensive and defensive efficiency according to KenPom. They have little to play for and are counting down the days to the end of the season.

Marist, on the other hand, has a very good defense, ranking 68th overall and 1st in the conference. The Red Foxes have held their opponents to an incredibly low 31% shooting from three-point range! This is an important game as they are battling for third in the Metro Atlantic and for seeding in the upcoming tournament. Head coach John Dunne, who led St. Peters to 20+ wins twice many years ago, has done a fine job with the Red Foxes and he will have them prepared for this important home game. Lay the 3 points.

If a single game you purchased does not win based on the point spread, you will receive the next equivalent game FREE OF CHARGE.
