MONTANA STATE BOBCATS VS MONTANA GRIZZLIES

Game Time: 11:30pm ET

Selection: Montana -5

The Montana Grizzlies are now one win away from a Big Sky Conference Title and a trip to the NCAA Tournament. The Grizzlies stayed hot last night in their semi final matchup vs Idaho State winning the game comfortably 72-58. It was Montana's 4th win in a row and also their 4th game in a row in which they shot over 50% from the field. Last night they shot 55% from the field and 40% from 3-point range. The offense is absolutely dialed in right now.

As I had mentioned yesterday this is a veteran group led by a veteran coach which is exactly what you want this time of year. Montana starts 5 seniors that have over 700 games played between each of them. Montana has won 2 in a row vs Montana State by 10 at Montana State and then by 19 at home. They are 7-3 in their last 10 vs Montana State and Coach DeCuire is 14-4 vs the Bobcats in his tenure as Head Coach of Montana. In their last matchup vs Montana State, the Grizzlies dominated the boards securing 15 offensive rebounds. They also did a nice job containing the Bobcats 3 point shooting.

Montana has done damage in the Big Sky against the bottom 5 teams in the conference going a combined 13-1. They are also now 18-12 ATS on the year and are playing their best basketball right now. Back the Grizzlies tonight against their in-state rivals Montana State laying 5 points.

If a single game you purchased does not win based on the point spread, you will receive the next equivalent game FREE OF CHARGE.
