HOUSTON COUGARS VS. IOWA STATE CYCLONES

Game Time: 6:00pm ET

Selection: Iowa State + 6 (- 120)

Last night we easily covered the money line with Iowa State to defeat Baylor. It really wasn't much of a contest because of how I felt those 2 teams matched up and it played out as I expected. Tonight is a whole different ball of wax facing the Houston Cougars who are the # 1 team in the country under great coach Kelvin Sampson. They lead the country on several 'key' metrics. I feel both the Cougars and UConn are basically 1-1A for top dog going into the tournament.

Iowa State is not far behind Houston when it comes to defense. That was on full display against Baylor last night. Their offense can be a bit erratic and will have to step up tonight, but their D will turn this game into a low scoring rock-fight. These 2 teams met twice during the season with each one winning on their home court. Both games were a battle from start to finish. Expect the same tonight.

Iowa State is the one team in the country who matches up well with the Cougars. Add to this that they will have a raucous home crowd advantage over the Cougars making the 6 points the lineman is offering as the way to go in this Big 12 heavyweight fight and championship.

If a single game you purchased does not win based on the point spread, you will receive the next equivalent game FREE OF CHARGE.
